

5/25/2005

TO: Scott Ljungberg @ Wheeler Machinery Co.

We have reviewed and approve of this engine (9RC00412) being registered for warranty

(After a new start up performed by certified CAT personal and being put into service)

and will allow the application of the service letter (Rod Bolt Change).

Please let Larry Kreeger know if there are any other items of concern relevant to this unit.

Thank you.

Sincerely,

Clarissa Kolmer  
Warranty Administration
